

REMARKS

Applicants are amending claims 4 and 7 to remove multiple dependencies and are adding new claims 8-10 to cover material previously described in the multiple dependent claims. No new matter is added by these amendments, and these amendments are fully supported by the specification. Applicants respectfully request entry of these amendments. No fees are believed due as a result of this amendment. Nevertheless, in the event of any variance between the fees determined by Applicants and those determined by the U.S. Patent and Trademark Office, please charge or credit any such variance to the Undersigned's Deposit Account No. 02-0375.

CONCLUSION

Applicants respectfully submit that this application, as amended, is in condition for allowance, and such disposition is earnestly solicited. If the Examiner believes that an interview with Applicants' representatives, either in person or by telephone, would expedite prosecution of this application, we would welcome such an opportunity.

Respectfully submitted,
